Voting and Absentee Ballot Applications

The Secretary of the State has sent an absentee ballot application for the August 11, 2020 Primary to every eligible voter in the state. Pursuant to Executive Order7QQ, COVID-19 may be used as a valid reason for requesting a ballot.

Please complete and use the provided prepaid return envelope, making sure the Town of Cornwall address appears in the window.

If you want the ballot sent to an address other than the one that the application was mailed to, please print the address neatly to the right of your address at the top of the form.

In the event you did not receive one, call the Cornwall Town Clerk’s office (860-672-2709) and one will be mailed to you.

If someone received an application and that person no longer lives at your residence please contact the Registrar of Voter’s office (PO Box 97, Cornwall CT 06753 or 860-672-4070) so that they may take the proper steps to remove the person from the rolls.

Voting absentee is only an option if you do not wish to go to the polling location. The polling locations will still be open from 6:00 AM to 8:00 PM on election day. If you plan on showing up at the polling location, please shred or destroy the application as you see fit.

As always, Town Clerk’s office is available for any questions you still might have. Email cwltownclerk@optonline.net or Phone 860-672-2709
